

Printing a Prior-Year TaxCut Online Return

Printing returns from tax years 2007, 2006, 2005, or 2004.

1. **Sign in** to your TaxCut Online account.
For help signing in to your account, please refer to [Signing In to Your TaxCut Online Account](#).
2. Under the *Manage My Online Account* section, click **the year of the return that you need**.

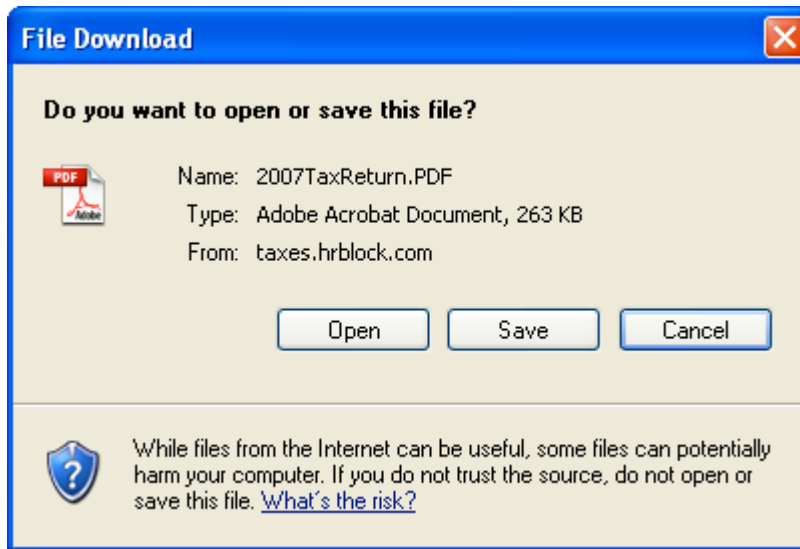

3. A window will appear explaining the dangers of saving your return to a shared folder on your computer. Click **Continue** to print your return.

Printing a Prior-Year *TaxCut* Online Return

Printing returns from tax years 2007, 2006, 2005, or 2004.

4. A new window will appear asking if you want to save or open the return. Click the **Open** button to open your return for printing or **Save** to save a copy of the return to your computer.

5. Your return will open in Adobe Reader. Click the **printer icon** to print a copy of your return.

Please Note: If you don't have Adobe Acrobat Reader, you can get a free version at:

www.adobe.com/products/acrobat/readstep2.html?promoid=BUIGO

6. After you've printed your return, close the Adobe Reader and View Return windows to return to *TaxCut*.
