

H&R BLOCK EMERALD ADVANCE TERMS AND CONDITIONS

The H&R Block Emerald Advance[®] line of credit ("Emerald Advance[™]") is an open-end line of credit provided by Axos Bank[™] (the "Bank"), Member FDIC. Your most recent application and these Terms and Conditions (collectively, the "Agreement") constitute the agreement that governs your application for, and if approved, your Emerald Advance.

In these Terms and Conditions, "you" and "your" mean the person shown on the application who applied to the Bank for an Emerald Advance. "We," "our" and "us" mean the Bank, and its successors and assigns. "H&R Block" means HRB Tax Group, Inc.; Emerald Financial Services, LLC; and their current or former subsidiaries and affiliates, as well as the successors, agents, assigns, and franchisees of any of them, as applicable. The Bank may sell, participate or otherwise transfer all or a portion of your Emerald Advance and the Bank's rights and duties relating to your Emerald Advance to third parties, without notice to you or your consent.

In order to obtain an Emerald Advance, you are required to have an H&R Block Emerald Prepaid Mastercard[®] (an "Emerald Card[®]") and a related card account (a "Card Account") with the Bank. If a conflict exists between this Agreement and the Emerald Card Cardholder Agreement or other terms and conditions of your Card Account, this Agreement controls. Please read this Agreement carefully and contact us with any questions.

IMPORTANT INFORMATION

- Section 326 of the USA PATRIOT Act requires all financial institutions to verify the identity of any person seeking to open an account. This law mandates that we verify certain information about you while processing your application.
- We may request additional information or use outside sources to confirm information provided in your application.
- By submitting this application for credit and the personal information it contains, you are instructing us to evaluate and take action on your application. You agree that your instructions to us include your consent to share your application and personal information with H&R Block and non-affiliated third parties, who assist us in our evaluation.
- You understand and agree that the Bank may request your credit report from a consumer reporting agency in conjunction with the processing of your application. If your credit report is obtained, your credit history and information will be an underwriting factor in the approval or denial of this credit request. You further understand that this credit report access will result in a credit inquiry on your credit report. We may report information concerning your performance under this Agreement to credit reporting agencies.
- We may keep your application regardless of whether credit is approved. Information you provide is protected by our privacy policy and Federal law.

DETERMINING YOUR CREDIT LIMIT; QUALIFICATION METHODS; RESTRICTIONS ON ADVANCES

We may, at our option, establish a promotional period from time to time (a "Promotional Period"). There is a Promotional Period from November 15, 2018 to January 11, 2019. If you apply and are approved for an Emerald Advance (or a temporary increase in the credit limit on your existing Emerald Advance) during a Promotional Period, then your credit limit is determined as described under the heading Promotional Period below. Otherwise, your credit limit will be determined by the method you use to meet the qualification requirements for continued use of your Emerald Advance. You agree to qualify to maintain your Emerald Advance (if you have not already done so) by one of the methods described below by April 1, 2019. If we approve your application, we will notify you whether you are eligible for the Unsecured Method or the Savings Secured Method. If you are approved to maintain the Emerald Advance via the Unsecured Method, you may also qualify using the Savings Secured Method if you notify us of your election and make the required deposit to your Emerald Savings Account. If by April 1, you do not qualify to maintain your Emerald Advance under one of the methods, we may terminate your Emerald Advance.

- **Promotional Period.** NOTE: The terms in this Section, including your credit limit, apply only to an Emerald Advance opened during a Promotional Period, or if you apply for and are approved for a temporary increase in the credit limit on your existing Emerald Advance during a Promotional Period. If you apply and are approved for an Emerald Advance during a Promotional Period, your promotional credit limit can be up to \$1,000 through the following February 15. If you have an existing Emerald Advance, and if you apply and are approved for a temporary increase in the credit limit during a Promotional Period, your temporary credit limit increase can be up to an additional \$1,000. We will disclose your promotional credit limit to you when we approve your application or approve your request to increase your credit limit. You will be eligible to draw from the Emerald Advance immediately even if a qualifying deposit to your Emerald Savings Account has not yet been made. The credit limit on your Emerald Advance will be subject to the Resting Period beginning on January 27 annually (but see details on alternate dates in Annual Resting Period, below), and the outstanding balance of your Emerald Advance (including fees and accrued finance charges) must be paid down to zero by February 15 annually. Thereafter, to remain eligible for the Emerald Advance, unless you have been notified that you qualify under the Unsecured Method, you must qualify under the Savings Secured Method.
- **Savings Secured Method.** If you qualify under the method described in this paragraph (the "Savings Secured Method"), your credit limit will be the amount you select between \$350 and \$1,000, when you have made a deposit to your savings account at the Bank (an "Emerald Savings Account") that equals at least the amount of your selected credit limit. To qualify under the Savings Secured Method, you must both deposit and maintain at least \$350 in your Emerald Savings Account and select the amount of your

credit limit by either designating the amount of your credit limit at an H&R Block tax office, or by contacting us at the number on the back of your Emerald Card. You may select a credit limit equal to all or part of the amount you have on deposit in your Emerald Savings Account, but your credit limit may not be less than \$350 or more than \$1,000 (unless you have applied for and have been approved for a temporary increase in your credit limit during the Promotional Period). For example, if you deposit \$500 to your Emerald Savings Account, you may elect to set your credit limit between \$350 and \$500. You may increase your credit limit by contacting us at the number on the back of your Emerald Card, but your credit limit outside the Promotional Period may not exceed the lesser of the amount you have on deposit in your Emerald Savings Account or \$1,000. You may deposit additional funds to your Emerald Savings Account in excess of your credit limit, but your credit limit will not increase unless you request an increase. Except to make a payment on your Emerald Advance, you may not withdraw funds from your Emerald Savings Account if the remaining balance in your Emerald Savings Account after that withdrawal would be less than the credit limit on your Emerald Advance. You may direct the Bank to reduce your credit limit to an amount equal to your outstanding balance (including fees and accrued finance charges), but not less than \$350 (or terminate your Emerald Advance if you have no outstanding balance).

- **Unsecured Method.** The Unsecured Method is only available to those accountholders who have been advised of their eligibility for the Unsecured Method. If you are eligible for the Unsecured Method, you do not need to take any further action to qualify under the Unsecured Method, but you must maintain your Emerald Advance in good standing.

If you are eligible and qualify under both methods, you must contact the Bank to request a change from one method to the other method, in which event the change will take effect within seven business days.

OBTAINING ADVANCES

You may request draws from time to time on your Emerald Advance by the following methods:

- During a Promotional Period, by requesting a draw at the time you apply for the Emerald Advance (or at the time you apply for a temporary increase in the credit limit on your existing Emerald Advance) at a participating H&R Block tax office.
- If you enroll in our optional automatic payment plan (described below) at the time of your application, you may schedule a second draw on your Emerald Advance at that time. Funds from the second draw will be loaded to your Emerald Card and available to you the next day.
- By calling the telephone number on the back of your Emerald Card®, and following the instructions.
- By downloading the MyBlock™ App, and following the instructions. Standard text message and data rates imposed by your service provider may apply.
- By visiting www.hrblock.com/emeraldcard and following the instructions.

If you are not in default, we will usually honor your draw requests up to the amount of your available credit limit, although we reserve the right to limit the amount of any individual draw request. You generally will not be allowed to draw the entire line in your initial draw. You may request draws as often as you like. However, your total outstanding balance (including any annual fee, but excluding other fees and accrued finance charges) may not exceed your credit limit. The proceeds of each draw will be loaded into your Card Account.

ANNUAL RESTING PERIOD

The Emerald Advance is designed to meet your credit needs. To ensure that you are using the Emerald Advance responsibly, between January 27 and February 15 of each year the Emerald Advance will be subject to a resting period (the "Resting Period"). However, if January 27 falls on a Sunday, the start of the Resting Period will begin January 26. During each annual Resting Period you may not obtain draws on your Emerald Advance. During the Resting Period, you may continue to use the proceeds of earlier draws loaded to your Card Account. In addition, you must pay down to zero the outstanding principal balance of your Emerald Advance, plus fees and accrued finance charges, by the end of each annual Resting Period (*i.e.*, by February 15).

AGREEMENT TO REPAY DRAWS, FINANCE CHARGES AND OTHER CHARGES

You agree to pay all amounts you owe us in accordance with the terms of this Agreement.

- **Periodic Interest.** You agree to pay a **finance charge** in the form of periodic interest on the outstanding principal balance of your Emerald Advance (including the amount of the annual fee, if applicable). Periodic interest is determined each billing cycle by multiplying the Average Daily Balance of your Emerald Advance (including current transactions) by the applicable Daily Periodic Rate identified below by the number of days in the billing cycle. The Daily Periodic Rate depends on which method you have used to satisfy the qualification requirements for an Emerald Advance (the Savings Secured Method or the Unsecured Method). If you have qualified during a Promotional Period or if you have not otherwise qualified under the Savings Secured Method, the Daily Periodic Rate will be calculated in accordance with the Unsecured Method. If you change your qualification method during a billing cycle, the applicable Daily Periodic Rate will change effective as of the first day of that billing cycle.

<u>Qualification Method</u>	<u>Daily Periodic Rate</u>	<u>Corresponding ANNUAL PERCENTAGE RATE</u>
Unsecured Method	0.0986301%	36%
Savings Secured Method	0.0246575%	9%

To get the "Daily Periodic Rate," we divide the applicable corresponding Annual Percentage Rate by 365. The Annual Percentage Rate is a measure of the cost of credit, expressed as a yearly rate.

Balance Computation Method: To get the "Average Daily Balance," we take the beginning balance of your Emerald Advance account each day, add any new draws and subtract any principal payments or credits and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Grace Period. There is no grace period in which to repay your balance before a finance charge will be imposed.

- **Annual Fee.** You agree to pay an annual fee for your Emerald Advance of \$45 during the first year and \$30 in subsequent years. The \$30 annual fee in subsequent years only applies if you have qualified under the Unsecured Method or the Savings Secured Method and have maintained uninterrupted access to your line of credit throughout the first year and each subsequent year. The first annual fee is due and payable when you are approved for an Emerald Advance and have an available credit limit. During a Promotional Period, this will generally be the day you apply for the Emerald Advance, so we will deduct the annual fee from your available credit limit at that time. We will collect the annual fee by taking an advance against the available credit on your Emerald Advance. If your Emerald Advance remains open, subsequent annual fees of \$30 per year will be assessed in the anniversary month of the month your first annual fee was assessed. If, at the time you establish your Emerald Advance, you are a covered borrower as that term is defined in the Military Lending Act and its implementing regulations, including 32 CFR § 232.3 (a "Covered Borrower"), and so long as you remain a Covered Borrower, your annual fee will be waived.
- **Exceeding Your Credit Limit.** If the outstanding balance of your Emerald Advance (including any annual fee, but excluding other fees and accrued finance charges) exceeds your credit limit at any time, you must immediately pay down your balance so that it does not exceed your credit limit. Or, if you have qualified by the Savings Secured Method, you may deposit additional funds to your Emerald Savings Account so that the savings account balance equals or exceeds the outstanding balance of your Emerald Advance and request an increase in your credit limit.
- **Note for Covered Borrowers.** Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate ("APR") of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums, fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specific credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account).

If you are a Covered Borrower, please call 1-855-793-8268 for an oral disclosure of the statement of the military APR applicable to Emerald Advance and a description of your payment obligation.

- **Late Payment Fee.** You agree to pay a late payment fee in the amount of \$7.50 for each payment due on your Emerald Advance that is not paid within 14 days after its due date. We agree not to assess you late payment fees exceeding \$37.50 in the aggregate in any calendar year.
- **Returned Check Fee.** If you use a check to make any payment for your Emerald Advance, and the financial institution on which the check is drawn dishonors or returns it unpaid for any reason, we may charge you a fee of \$20 per returned check.

STATEMENTS

We will make monthly statements available to you which will show, as of approximately the 20th of each month (the "Statement Cut-off Date"), your Emerald Advance account information, including new draws, accrued finance charges, previous payments, your new balance and the Minimum Payment.

PAYMENT DUE DATE

Payment is due on or before the payment due date shown on your periodic statement. The payment due date will be approximately 25 days following the Statement Cut-off Date, or approximately the 15th of each month as disclosed on your statement. The "Minimum Payment" will be the greater of \$25 or four percent of the outstanding balance of your Emerald Advance. If your outstanding balance (including fees and accrued finance charges) is less than \$25, however, your Minimum Payment will be your total outstanding balance. You must pay at least the stated Minimum Payment every month and you may elect to pay more than the Minimum Payment at any time.

The outstanding balance of your Emerald Advance including fees and accrued finance charges must be paid down to zero by the end of each annual Resting Period (*i.e.*, by February 15 of each year). Note that January statements will reflect the balance of the Emerald Advance, as of the Statement Cut-off Date, that is required to be paid down to zero by February 15th. Please note that events that occur after the January Statement Cut-off Date, such as subsequent draws, subsequent payments, and accrued interest or fees, will not be reflected on the statement. To request the amount required to pay the Emerald Advance down to zero as of a particular date, please call 1-866-353-1266.

You may prepay your Emerald Advance in whole or in part at any time without penalty.

PAYMENT OPTIONS

You can make a payment on your Emerald Advance by mailing a check or money order to Emerald Financial Services, PO Box 6822, Carol Stream, IL 60197-6822, or by calling the number on the back of your Emerald Card® to authorize a one-time payment from your Card Account, your Emerald Savings Account, or your debit card or bank account. You may also make a payment using your debit card by visiting www.hrblock.com/emeraldcard. Additional payment options include visiting a MoneyGram® location and using the MoneyGram® Express Payment Service®

or using the PayNearMe service at any participating retailer. For a list of participating retailers see www.paynearme.com. (Note: Fees may apply for third party payment services). If paying by check or money order, to ensure that your payment reaches us by its due date, we suggest that you mail it at least seven days before the payment is due.

The Bank offers an optional automatic payment plan that is a convenient way for you to make monthly required Minimum Payments on your Emerald Advance and help you avoid late charges. You are not required to use the automatic payment plan to obtain an Emerald Advance – it is completely voluntary. If you would like to take advantage of this optional plan, you may elect to do so during the application process. By doing so, you authorize us to make each required Minimum Payment on your behalf by: first, deducting available funds from your Card Account; second (if necessary), deducting available funds from your Emerald Savings Account; and third (if necessary), deducting available funds from other accounts that may be accessed through the Card or Card Account. You may terminate this authorization by notifying us in writing at least three (3) business days before the due date of your next required Minimum Payment.

ALTERNATIVE PAYMENT METHODS; EARLY REPAYMENT

You are not required to return to H&R Block for income tax preparation or to purchase a tax refund-related product at that time to be eligible for the Emerald Advance.

If you choose to return to H&R Block for income tax preparation, you must either (1) direct the Bank to open a refund account (if available at that time) for you during the tax preparation process for the purpose of receiving your tax refund(s), or (2) authorize and direct the Internal Revenue Service and/or other taxing authority to deposit your tax refund(s) to your Card Account at the Bank. If you return to H&R Block for income tax preparation and authorize the Internal Revenue Service and/or other taxing authority to direct your tax refund(s) to the Bank, then you authorize us to deduct an amount we reasonably estimate to be sufficient to pay the balance of your Emerald Advance to zero, whether or not you are otherwise required at that time to pay the balance of your Emerald Advance down to zero.

APPLICATION OF PAYMENTS

Unless we elect otherwise, payments on your Emerald Advance will be applied in the following order: first to interest, second to fees including late and nonsufficient funds fees, third to any accruing annual fees, fourth to unpaid draws, and last to any non-accruing annual fees.

DEFAULT

You will be in default under this Agreement if (1) you fail to make any payment as required under this Agreement or (2) our prospect of payment, performance or ability to realize on any collateral is significantly impaired. The burden of establishing significant impairment is on us. Upon a default, at the option of the Bank, to the extent permitted by applicable law, we may suspend your right to receive draws on your Emerald Advance and we may declare all amounts owing on your Emerald Advance to be immediately due and payable without notice or demand.

TERMINATION OF YOUR EMERALD ADVANCE

We may close your Emerald Advance at any time if: (1) you have an outstanding balance on your Emerald Advance, but have not made any payments for a period of 90 days, or (2) you have not met the eligibility and qualification requirements under the Savings Secured Method or the Unsecured Method for a period of 90 days, or (3) you maintained your Emerald Advance using the Savings Secured Method and you no longer meet the requirements of that method. We may terminate your right to obtain credit under your Emerald Advance if your Card Account is closed.

SET-OFF AND DEBT COLLECTION

NOTE: If you have debt, the Bank, its affiliates and other third parties may be acting as debt collectors. Any information obtained will be used for that purpose.

You authorize and direct us to set-off or collect any amount you owe us or H&R Block under this Agreement, or any other agreement you have with us or H&R Block, against any account you have with us or against your right to receive money from us, unless prohibited by applicable law. Some government payments (such as Social Security, Supplemental Security Income, Veterans, and other federal or state benefits) may be protected from attachment, levy or other legal process under federal or state law. If such protections would otherwise apply to funds we take or set-off from your Card Account or Emerald Savings Account or any other account you have with us, to the extent that you may do so by contract, you waive these protections and agree that we may take or set-off funds, including federal and state benefit payments, from your accounts to pay amounts you owe us or H&R Block.

CHANGE IN CONTACT INFORMATION

You agree to notify us immediately if you change your address, your email address or your telephone number. You also agree to provide us with your new address, email address or telephone number.

ARBITRATION AGREEMENT

1. Scope of Arbitration Agreement. All disputes and claims between you and any one or more of the Covered Parties (as defined below) shall be resolved through binding individual arbitration unless you opt out of this Arbitration Agreement using the process explained below. However, either you or the Covered Parties may bring an individual claim in small claims court, as long as it is brought and maintained as an individual claim. All issues are for the arbitrator to decide, except that issues relating to the validity, enforceability, and scope of this Arbitration Agreement, including the interpretation of Paragraph 3 below, shall be determined by the court and not the arbitrator. For purposes of this Arbitration Agreement, the term “Covered Parties” shall include Axos Bank™; HRB Tax Group, Inc.; Emerald Financial Services, LLC; and any of their respective direct or indirect parents, subsidiaries, and affiliates. This term also includes the predecessors, successors, officers, directors, agents, employees and franchisees of any of them. This Arbitration Agreement (as well as any other arbitration agreement between you and any of the Covered Parties) does not apply to any dispute or claim related to your Emerald Advance if you were a Covered Borrower at the time your Emerald Advance was established.

Right to Opt Out of This Arbitration Agreement: You are not required to accept arbitration even though you must agree to these Terms and Conditions to receive service today. You may reject this Arbitration Agreement within the first 60 days after you agree to these Terms and Conditions by fully filling out the form found at <http://www.arbitrationoptout.com/axos>, or by sending a signed letter to Axos Bank Arbitration Opt-Out, PO Box 5846, Kansas City, MO 64171. The letter should include your printed name, the first five digits of your Social Security Number, state, zip code, and the words “Reject Arbitration.” Rejection of this Arbitration Agreement does not impact any other arbitration agreement.

2. How Arbitration Works. Either party may initiate arbitration, which shall be conducted by the American Arbitration Association (“AAA”) pursuant to its Consumer Arbitration Rules (“AAA Rules”), as modified by this Arbitration Agreement. The AAA Rules are available on the AAA’s website www.adr.org, or by calling the AAA at (800) 778-7879. In the event the AAA is unavailable or unwilling to hear the dispute, the parties shall agree to, or the court shall select, another arbitration provider. Unless you and the Covered Parties agree otherwise, any arbitration hearing shall take place in the county of your residence.

3. Waiver of Right to Bring Class Action and Representative Claims. All arbitrations shall proceed on an individual basis. The arbitrator is empowered to resolve the dispute with the same remedies available in court, including compensatory, statutory, and punitive damages; attorneys’ fees; and declaratory, injunctive, and equitable relief. However, any relief must be individualized to you and shall not affect any other client. The arbitrator is also empowered to resolve the dispute with the same defenses available in court, including but not limited to statutes of limitation. **You and the Covered Parties also agree that each may bring claims against the other in arbitration only in your or their respective individual capacities and in so doing you and the Covered Parties hereby waive the right**

to a trial by jury, to assert or participate in a class action lawsuit or class action arbitration, to assert or participate in a private attorney general lawsuit or private attorney general arbitration, and to assert or participate in any joint or consolidated lawsuit or joint or consolidated arbitration of any kind. If a court decides that applicable law precludes enforcement of any of this paragraph’s limitations as to a particular claim for relief, then that claim for relief (and only that claim for relief) must remain in court and be severed from any arbitration. The Covered Parties do not consent to, and the arbitrator shall not have authority to conduct, any class action arbitration, private attorney general arbitration, or arbitration involving joint or consolidated claims, under any circumstance.

4. Arbitration Costs. The Covered Parties will pay all filing, administrative, arbitrator and hearing costs. The Covered Parties waive any rights they may have to recover an award of attorneys’ fees and expenses against you in arbitration.

5. Other Terms & Information. This Arbitration Agreement shall be governed by, and interpreted, construed, and enforced in accordance with, the Federal Arbitration Act and other applicable federal law. Except as set forth above, if any portion of this Arbitration Agreement is deemed invalid or unenforceable, it will not invalidate the remaining portions of the Arbitration Agreement. Notwithstanding any provision in these Terms and Conditions to the contrary, we will not make any material change to this Arbitration Agreement without providing you with an opportunity to reject that change by following the directions in the Change in Terms. Rejection of any future change will not impact this or any prior Arbitration Agreement to which you have agreed.

CHANGE OF TERMS

We may change the terms of this Agreement from time to time in the future to the extent and in the manner permitted by applicable law. In doing so, we may add terms, remove terms or change existing terms. We will give you notice of any changed terms if and to the extent required by law. We may elect to have the changed terms apply to all indebtedness existing on or after the effective date of the change, or only to indebtedness arising after the effective date of the change. You may avoid the effect of changed terms by paying all amounts due us before the effective date of the change and by terminating your Emerald Advance.

SECURITY INTEREST IN EMERALD SAVINGS ACCOUNT AND CARD ACCOUNT

To the maximum extent allowable by law, you grant us a security interest in your Emerald Savings Account and Emerald Card Account with us to secure the payment of the Emerald Advance. This security interest is subordinate to any right of set-off we have against your Card Account or Emerald Savings Account. Note: if you were a Covered Borrower at the time your Emerald Advance was established, this security interest does not apply to funds deposited into your Emerald Savings Account or Card Account prior to you obtaining an Emerald Advance.

YOUR BILLING RIGHTS: KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Emerald Financial Services, LLC
P.O. Box 10170
Kansas City, MO 64171-0170

In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least three (3) business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill.

We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

APPLICABLE LAW

This Agreement shall be governed by and interpreted and enforced in accordance with federal law and, to the extent state law applies, the law of the State of Nevada (without reference to conflict of laws principles), except to the extent inconsistent with or preempted by federal law.

RESCISSION RIGHT

You may cancel your Emerald Advance by notifying the Bank of your decision to cancel within five (5) business days after you apply for the Emerald Advance by calling the number on the back of your Emerald Card or returning to the tax office. To do so, you must return to the Bank all advances drawn on your Emerald Advance by authorizing a transfer of money from your Card Account or your Emerald Savings Account to repay your Emerald Advance. You must return and the Bank must receive all advances within seven days after notification of your decision to cancel. If you use your right to cancel, any finance charges or any annual fee paid by you will be refunded to you only if you have returned any advances (other than any annual fee) that have been drawn on your Emerald Advance within seven days after notification of your decision to cancel. The right to cancel applies to your Emerald Advance as a whole and not to any individual draw made under your Emerald Advance.
