

Protecting your privacy is important to us. We strive to do business in a manner that justifies you choosing H&R Block®.

We are providing you this privacy notice as required by law. This privacy notice explains the types of information we may collect from and about you or your business, how we may use or disclose that information, your rights with respect to your information, and how we protect that information.

Who This Privacy Notice Covers

You are at an independently owned, franchised H&R Block® office. This notice, including information about our security practices, applies to personal and business information we collect when we provide tax preparation and related products and services to customers and former customers of this H&R Block® franchise. This notice applies to this franchise office only and not to any other H&R Block® entity or Axos Bank™, an FDIC insured member institution. H&R Block® company-owned offices operate under a similar, but separate, privacy notice. If you are doing business with these companies, you should consult that business's privacy notice. This notice does not apply to information we collect for non-H&R Block® products or services.

How We May Use or Disclose Information about You

Our use and disclosure of your information is controlled by various laws, regulations, and other legal requirements, as well as our internal policies. We may use or disclose information that we collect, subject to the terms of this privacy notice and consistent with applicable law. The examples contained in this notice are illustrations; they are not intended to be exclusive.

- Where permitted or required by law, we may use or disclose your information for our normal business purposes. For example, this may include assigning you a unique identifier or disclosures to the IRS.
- With your consent or where otherwise permitted by law, we may disclose your information to our franchisor or our service providers who perform business functions on our behalf (including service providers who perform “auxiliary services” in connection with tax return preparation, as permitted by IRC Section 7216, and service providers who help deliver advertising tailored to your interests). We require service providers have written contracts that specify appropriate use of your personal information, require them to safeguard your personal information, and prohibit them from making unauthorized or unlawful use of your personal information.
- As permitted by law, we may use, or disclose to our franchisor or other H&R Block companies, your information to support the products and services you request (e.g., Tax Identity Shield®) or offer you additional products or services. - We do not sell or rent your information to third-party direct marketers.
- Where permitted by law, we may disclose your information to joint marketers and business partners with whom we, our franchisor, or its affiliates have joint marketing agreements. We require all joint marketers to have written contracts with us that specify appropriate use of your information, require them to safeguard your information, and prohibit them from making unauthorized or unlawful use of your information.
- We may disclose your information (individually or in aggregate form) to our franchisor, other H&R Block® companies, or non-affiliated third parties (including government entities) when we have a good faith belief that such disclosure is required or permitted by law. This may occur, for example, in connection with a court order, legal process, or other judicial, administrative or investigative proceeding. This may occur in other situations as part of our business operations (including disclosures as part of the sale of our business).
- We retain your information in accordance with our document retention policies, applicable laws, and as needed to serve you.

How We Protect Your Information

We maintain physical, electronic, and administrative policies and procedures designed to restrict access to your information. These include programs and specifications for physical security and records retention and disposal; computer and communication security measures reflected in system design, password protection, and data management practices; and other measures to restrict access to the data we hold in physical and electronic forms.

How You May Control Use of Your Information

As described above, we, our franchisor, or its affiliates may contact you about products and services. If at any time you wish to limit the offers or promotions you receive, you may call 1-877-723-5458. We will use reasonable efforts to comply with your request. In these situations, it may still be necessary for us to send you information from time to time about transactions or accounts you have with us.

We reserve the right to change this privacy notice and any of the policies described in this notice at any time, consistent with applicable law. If we make a material change to this notice, we will notify you by using one of the following methods: (1) we will post a notice on our web site describing the change; or (2) we will hand deliver or send you regular or electronic mail notifying you of the change.
