Important message about your 2015 Form 1040

Your tax return doesn't match the information we have on file

The income and payment information we have on file from sources such as employers or financial institutions does not match the information you reported on your tax return.

What you need to do immediately

Review this notice and compare what you listed on your 2015 tax return to the amounts reported to the IRS by others.

If you agree with the information reported by other sources

- Complete, sign and date the Response form on Page 5, and mail it to us so we receive it by January 26, 2017.

If you don't agree with the information reported by other sources

- Complete the Response form on Page 5, and send it to us along with a signed statement and any documentation that supports your claim so we receive it by January 26, 2017.

If we don't hear from you

If we don't receive a response from you by January 26, 2017, we will send you a notice stating the proposed changes to your tax return and the amount of additional tax you owe plus any penalties and interest that apply.

Differences between your 2015 Form 1040 and information from other sources

This section tells you specifically what income information the IRS received about you from others (including your employers, banks, mortgage holders, etc.). This information doesn't match the information you reported on your tax return.

Use the table to compare the data the IRS received from others to the information you reported on your tax return to understand where the difference(s) occurred. To assist you in reviewing your income amounts, the table may include both reported and unreported amounts.

Nonemployee Compensation					
Received from	Address	Account Information	Shown on return	Reported to IRS by others	Difference
Third party name		SSN xxxxxxxxx Form 1099-MISC	-	\$\$\$\$	-
Third party name		EIN xxxxxxxxx Form 1099-MISC	-	\$\$\$\$\$\$	-
Nonemployee Compensation Total			\$\$\$\$\$\$	\$\$\$\$\$\$	\$\$\$\$\$\$

Misidentified income

If any of the income shown on this notice is not yours, send us the name, address, and social security number of the person who received the income. Please notify the payers to correct their records to show the name and social security number of the person who actually received the income, so that future reports to us are accurate.

Form W-2 or 1099 not received

The law requires you to report your income correctly. If your payers did not send you a yearly income statement (Form W-2, Wage and Tax Statement, Form 1099, etc.), you must use the information you have (pay stubs, monthly income statements, deposit slips, etc.) to estimate the total amount of income you received during the year.

Self-Employment Tax on Self-Employment (SE) income

Self-Employment (SE) income generally includes nonemployee compensation, merchant card, third party network payments, and other income from part-time or full-time work and is subject to Self-Employment Tax. We figured the Self-Employment Tax on the net SE income reported on your return and/or on the underreported SE income.

Self-Employment Tax consists of Social Security Tax of 12.4% and Medicare Tax of 2.9%, and for SE income in excess of certain thresholds based on your filing status, an Additional Medicare Tax of 0.9%. (Even if you have paid the maximum amount of Social Security Tax, you are still liable for Medicare Tax, and Additional Medicare Tax, if over the applicable threshold.) The deductible part of the Self-Employment Tax is based on the change we made to your Self-Employment Tax. If you were an employee, you will be liable for income tax and the employee's share of Social Security (6.2%) and Medicare taxes (1.45%), and Additional Medicare Tax, if applicable. Your social security account will be credited with the amount of Self-Employment income shown on this notice.

Accuracy-related penalty for substantial understatement of tax

If we increase your tax, and the increase is more than the greater of 10% of your correct tax liability or \$5,000, we're required to charge an accuracy-related penalty for the substantial understatement of tax. The penalty is 20% of the portion of the underpayment of tax attributable to a substantial understatement of income tax. (Internal Revenue Code Section 6662(d))

We may reduce the penalty or not apply if you:

- Provide the substantial authority (such as Internal Revenue Code, Regulations, Revenue Rulings, Revenue Procedures, etc.) you used to decide how to treat your income or deduction, or
- Tell us where on your return you clearly show the facts supporting your treatment of the income or deduction, or
- Submit a signed statement clearly outlining the facts supporting your treatment of the understated income.

Next steps

- You don't need to file an amended tax return for 2015. We will make the correction when we receive your response. However, if you choose to file an amended tax return (Form 1040X), write "CP2501" on the top of your amended federal tax return (Form 1040X) and attach it behind your completed Response form. Go to www.irs.gov to download Form 1040X or call 1-800-TAX-FORM (1-800-829-3676).
- Please file an amended tax return (Form 1040X) for any other tax years in which the same error occurred.
- We send information about these changes to state and local tax agencies, so if the changes we made apply, file an amended state or local tax return as soon as possible.
